The 2010 Summer Workshop “Bring a Friend” Incentive Program Complete Details & Guidelines:

- 25% discount applies to tuition only (it does not include registration fees, studio fees, travel, housing or meals).
- Program is valid through September 24, 2010 and is applicable for 2010 adult summer workshops only.
- This program will apply retroactively for those already registered for summer 2010.
- The student who is referred must not have taken a workshop at Anderson Ranch previously in order to qualify as a “new” student.
- Referred new student must give the name of the individual who referred them at time of registration in order for the discount to be applied to the referrer’s workshop tuition.
- All workshops are subject to cancellation: if Anderson Ranch cancels the referred new student’s workshop the 25% discount does not apply to the referrer’s workshop tuition. If the referred new student cancels their workshop, the 25% discount does not apply to the referrer’s workshop tuition.
- If an individual brings or refers more than one new student they will receive an additional 25% discount, per referral, to be applied to either a single workshop or across multiple workshops.
- Discount is non-transferrable between students and is applicable for 2010 adult summer workshops and studio intensives. It does not apply to field expeditions and is not transferrable to 2011 workshops.
- The referrer’s and the referred new student’s selected workshops do not have to be in the same week/workshop/program area.
