Workshop #: P0611

Dear Workshop Participant,

In order for you to get the most from your workshop, I've included a schedule of events that commonly occur during a typical weeklong workshop.

Typical Weekly Digital Media & Photography Workshop Calendar

Sunday arrival is followed by dinner in our café at 6 PM. This is an opportunity to meet fellow students, faculty and staff.

Monday morning begins with a formal welcoming by Ranch staff at 8:45 AM in the meeting hall. During this 15-minute introduction, you will meet the Ranch administrative staff and be introduced to the faculty on campus that week. Immediately following the general orientation, there will be a brief workshop orientation on the porch of the Fischer Photography Center. Our facilities are available 24-hours-a-day and are staffed Monday to Friday 9 AM – 5 PM and Monday to Thursday 7 – 10 PM.

Most workshops meet weekdays from 9 AM – 5 PM with a one-hour break for lunch. Activities may include lectures, slide talks, demos, field trips, individual photographic assignments, studio work and individual and group critiques. Some faculty may choose to alter the 9 AM – 5 PM hours to capture the best light or to travel to a photographic location.

Slide presentations by visiting faculty are scheduled Sunday and Tuesday evenings at 7 PM and some Wednesdays at noon. Attendance is encouraged but not mandatory.

Your workshop may coincide with a Thursday evening or Friday afternoon Auctionette, held several times each summer. This exciting lunchtime event auctions work by students and faculty alike. Proceeds fund programming at Anderson Ranch. All students are welcome to contribute a piece of work.

On Friday afternoon, all studio work ends and students pack up tools and clean their personal studio spaces. Printing stops at 3 PM and everyone must clean up their workspace and clear the building by 5 PM.

Yoga is offered in the morning one day a week on campus. The Ranch is situated in a scenic mountain area with easy access to walking and hiking trails. Aspen is a 20-minute, no-fare bus ride away.

Again, this is a general template—each workshop has its own requirements and dynamics that necessitate changes in this overview. If you have any questions, please feel free to contact me.

Best,
