

JANUARY 2017 STUDIO CONCENTRATION HANDBOOK

Area & Local Information

Anderson Ranch is located in Snowmass Village, Colorado (population approximately 2,800), ten miles west of Aspen (see maps at the end). You will find a variety of restaurants, a grocery store, gift/liquor store, post office, sports equipment rental center, and other shops within a 10-minute walk or a free shuttle bus ride from the Ranch. *Bus service between Snowmass Village and Aspen is free this winter.* In Aspen, you will find a great selection of restaurants, shops, and galleries. For a packet of general information about the area, please call: Stay Aspen Snowmass/A.C.R.A. 888. 649. 5982 or www.stayaspensnowmass.com.

Office Hours

The main office, ArtWorks store and galleries at Anderson Ranch are open from 9:00 am to 5:00 pm, Monday through Friday.

Telephone & Cell Service

Cell phone service from most major carriers works on our campus. In case of an emergency, a phone message may be left for you with the receptionist at the general Ranch office number, 970. 923. 3181. Fax messages will incur a charge. Our fax number is 970. 923. 3871. **We ask that cell phones be turned off in the studios.**

Internet Access

The Internet is widely available at the Anderson Ranch. Free WiFi access is available in the Dorm, Café and every art department; the password is 'workshops' (all lower case). To ensure that you will have access to the Internet it is recommended you bring your own laptop that is WiFi capable or has an Ethernet port. In addition, we have several student computers located throughout the campus that will be available for Internet use.

Climate & High Altitude

Expect winter weather in January. Parkas, hats, gloves, boots, stabilicers/yak traks and a flashlight are strongly recommended. Because the sun is intense at this altitude, bring sunglasses and sunscreen with an SPF of 15 or higher. Dress at Anderson Ranch is informal. Bring a variety of casual clothes to layer, as well as a camera.

The Ranch is located at an elevation of 8,200 feet. Some people experience high altitude sickness (also known as mountain sickness); symptoms include shortness of breath, headaches, dizziness, lack of energy, difficulty sleeping, nausea, vomiting, loss of appetite and other symptoms. We advise you to: drink a lot of water or juice; take ibuprofen or acetaminophen for headaches; avoid alcoholic beverages, caffeine, and salty foods because they tend to dehydrate; get plenty of rest for a few days before you get here and after you arrive. If you feel the altitude could cause a problem, please consult with your physician before traveling here. It is very important to stay hydrated at high altitude, which is why we encourage you to bring a reusable water bottle with an attached top. These can be refilled at many locations around the Ranch. Seek medical care if your breathing problems worsen, you have chest pain, you have a bad headache that gets worse instead of better, you have trouble walking, or you have trouble thinking clearly.

Orientation

The first Monday morning there will be a short general orientation in the Schermer Meeting Hall at **9:00 am**. We encourage all participants to attend, as important announcements are made and studio concentration faculty and Anderson Ranch staff are introduced.

First Sunday Dinner

You are welcome to join us for dinner in our Café on Sunday evening, January 8th. Dinner is served starting at 6:00 pm. Dinner is served between 6:00 and 7:00 pm and costs \$20 (meals are included for participants who are staying in the dorm). We will announce the meal schedule - and meal prices for non-residents - at a later date. Individual meals and meal tickets can be purchased at the front desk in the main administrative building.

Faculty Lectures

There will be two evenings of faculty lectures, with dates and times to be announced at a later date.

Safety Information Form & Waiver

Participants are asked to complete a Safety Information Form & Waiver. These forms are kept for the duration of the studio concentration and provide us with information that will help us care for you in case of an emergency. Please bring emergency contact information, insurance company and policy number, local housing address and phone number.

The supply list explains what the studio fee covers and also lists the supplies your instructor requests that you bring to the workshop. It is your responsibility to come fully prepared and equipped for your workshop(s).

Supplies

Supply lists will be posted up on our website; at that time we will also email you a link to it. If you are not able to access the supply list, please contact us. Please read it carefully. Your supply list will mention suppliers to contact when gathering the items on your list. If you have any questions about items on your supply list, call the Ranch and one of our staff members will be happy to answer your questions.

Anderson Ranch's ArtWorks store carries many of the requested supplies, and offers a 10% discount on pre-orders placed by the Friday prior to the start of the workshop; please contact Meg Reilly at ext. 202 or mreilly@andersonranch.org.

Getting Supplies to the Ranch

If you have a lot of supplies to bring to your workshop, you may ship them to the Ranch via UPS or FedEx. (There is no street delivery of mail in Snowmass Village - i.e., our staff picks up Ranch mail at the Post Office – so please do NOT ship them via the US Postal Service). Please time the shipment to arrive at the Ranch no more than a week prior to your studio concentration start date, as storage space is limited (and the Ranch will be closed for the winter holidays, reopening Tuesday, January 3rd). All UPS and FedEx packages must arrive at the Ranch clearly labeled as shown below. Unidentified packages will not be signed for and will be returned. Interns will bring boxes to the studio.

Please label your packages as follows:

Your Name/Your Workshop Instructor's Name/Program Area
c/o Anderson Ranch Arts Center
5263 Owl Creek Road
Snowmass Village, CO 81615-5598

Shipping Work from the Ranch

Students are responsible for handling arrangements to ship their completed artwork home. A limited supply of packing materials will be available for purchase from the Art Works store at Anderson Ranch or you may supply your own. We will arrange to have a shipping company representative on hand the final Friday around 4:00 pm to answer questions, quote orders, and collect work to be shipped. Large-scale work, such as furniture and sculptures, is sometimes difficult and expensive to ship home. Consult your Studio Coordinator prior to the last day of your workshop.

Art Works Store

The Art Works store, located in the office and administration building, offers a wide selection of art supplies, clothing, books and artwork. Art supplies include canvases, watercolors, oils, soft pastels, oil pastels, acrylics, ceramic tools, brushes, charcoal pencils, sketchbooks and watercolor papers. Anderson Ranch's store carries many requested supplies, and offers a 10% discount on pre-orders placed by the Friday prior to the start of the studio concentration. Please contact Meg Reilly at ext. 202 or mreilly@andersonranch.org for product availability.

What to Pack

It's an excellent idea to pack a flashlight for walking around the Ranch at night. Another item everyone will want is a camera with memory card and battery charger.

Pets & Service Animals

Pets are not allowed at Anderson Ranch. Other than Anderson Ranch pets or trained service animals (such as Seeing Eye dogs), no pets are allowed on the grounds, in cars in the parking lot or in Anderson Ranch-provided housing. There are few housing facilities in Aspen or Snowmass Village that allow pets. If you must bring your pet, please ask us about an appropriate local kennel.

Anderson Ranch complies with the Americans with Disabilities Act (ADA). Any student who plans to bring a service animal must notify the Registrar at the time of registration, at which time we may ask if the service animal is required because of a disability and what work or task the service animal has been trained to do. A service animal must be under the handler's control at all times, and the handler is expected to clean up after the service animal. If dorm housing is requested, we would ask that you reserve a single room; a fee will be charged should there be any damage to the room. For more information, please visit - https://www.ada.gov/regs2010/service_animal_qa.html

HOUSING

The State of Colorado requires us to charge 10.4% sales tax on lodging. In addition, the Town of Snowmass Village assesses a 2.4% lodging tax on all lodging arranged through the Ranch. Therefore, a total accommodation tax of 12.8% will be added to the housing portion of your tuition.

The Ranch strives to give our participants modest housing at reasonable prices. If you require amenities, such as luxury accommodations or workout facilities, daily maid service, a bellman, or a hotel shuttle, please contact Stay Aspen Snowmass at 888. 649. 5982 or online at www.stayaspensnowmass.com or Destination Snowmass at 866. 786. 9101 or www.destinationsnowmass.com.

The rooms are clean and modest.

One towel set per week is provided for each person staying in Ranch housing.

Special Requests

Our housing supply is limited. We will accommodate requests to the best of our ability and according to the resources we have available, but unfortunately we cannot guarantee special requests. Please let us know if you have physical limitations with regards to walking, stairs, vision, etc. This will help us to provide you with housing that will best suit your needs. **For those with specific dietary needs, booking your own outside accommodations is your best option. The Ranch Cafe cannot accommodate particular food preferences, dietary restrictions or food allergies, nor is there space to store special dietary foods, medications or beverages.**

Students needing to use a CPAP machine while sleeping are asked to reserve a single room in the dorm, so as to limit disruption to others.

Age Requirement

We are unable to provide dorm housing for anyone under 18 years of age. Minors under the age of 18 must be accompanied by an adult, and cannot be housed through Anderson Ranch.

Smoking, Drug & Alcohol Policy

Pitkin County law prohibits smoking (tobacco or marijuana) in any buildings or in any housing at Anderson Ranch. Anderson Ranch is a smoke-free campus. Please note that the consumption of alcohol and/or marijuana is not permitted in the studios.

Parking

You probably do not need a vehicle while you are here! Buses and shuttles run throughout Snowmass Village, many of which are free. Taxi service and airport limousines are also available. If you are planning on bringing a car to the Ranch, please be advised that Ranch parking is very limited. Parking permits for people staying in the Anderson Ranch dormitory can be picked up when checking in.

NON-HARASSMENT POLICY

Introduction

Anderson Ranch Arts Center is committed to providing a safe and supportive school environment where learning can flourish and all feel welcome. Members of the school community are expected to treat each other with respect. Teachers and staff are expected to teach and demonstrate by example that all members of the community are entitled to respect as human beings. Harassment of one community member by another community member is a violation of school policy. Anderson Ranch Arts Center will diligently monitor both the school environment and anyone coming on to school premises to ensure that inappropriate acts do not occur. When there is a concern or complaint about a behavior or incident, we will immediately investigate the matter and take affirmative remedial action.

It is important that everyone understands what behaviors are unacceptable in our community. Anderson Ranch Arts Center prohibits any conduct by one community member that harasses, intimidates, or demeans another community member.

Prohibited Acts

Harassment or Intimidation: any intentional written, verbal or physical acts including, but not limited to, those shown to be motivated by any characteristic such as race, age, religion, national origin, marital status, gender, sexual orientation, gender identity, veteran status or disability.

Sexual Harassment: unwelcome sexual advances, requests for sexual favors, sexually motivated physical contact, or other verbal or physical contact or communication of a sexual nature between two or more individuals.

- Sexual harassment may include, but is not limited to, the following:
- Leering at someone else's body
- Making comments, gestures, or jokes of a sexual nature
- Sexual advances/propositions/suggestions
- Sexual "dirty" jokes
- Touching, grabbing, and /or pinching

- Spreading rumors about another's sexual activity
- Talking about one's own sexual activities in front of others
- Showing offensive/sexual pictures, stories, objects
- Inflicting physical sexual assault or abuse

Individuals Covered by the Policy

This policy applies to all Anderson Ranch Arts Center community members (students, paid and volunteer staff, parents, non-staff volunteers, vendors, visitors, etc.), who enter our school premises or participate in school-sponsored activities. The policy protects males and females equally from sexual harassment, and it protects both from same-sex harassment.

Duty to Bring Complaint Forward

One cannot assume that school officials will automatically know that conduct in violation of this policy is occurring or has occurred. Those who have suffered inappropriate conduct have the responsibility to bring that to the attention of the Head of School or Board President within 48 hours of the conduct's occurrence. Anderson Ranch Arts Center cannot assume legal responsibility for conduct of which it is unaware.

How to Report Violations

Any child or adult may report potential violations of this policy. Anderson Ranch Arts Center staff members are required to follow appropriate intervention and reporting practices whenever they observe incidents or receive complaints of policy violations.

Reports, verbal or written, should be made to the Executive Director for investigation. If the Executive Director is an involved party, reports should be made to the President of the Board of Trustees. All reports should be made within 48 hours of the incident, except where circumstances clearly prevent such. Complaints will be accepted in writing or orally. Anonymous complaints will be accepted and investigated to the extent possible. If a suspected criminal act has occurred, law enforcement authorities should be immediately contacted also.

Zero Tolerance

All acts identified or complained of as violations of this policy will be fully and impartially investigated. In no instance will substantiated policy violations go unpunished. Where appropriate employee discipline, volunteer removal, or contract termination actions will occur. Any acts rising to the level of criminal conduct will be referred to local law enforcement authorities or Child Protective Services.

Sanctions

Employees or volunteers found to have engaged in non-sexual harassment or intimidation or sexual harassment shall be disciplined appropriately. Such discipline may include employee probation, suspension, or dismissal, volunteer removal, or contract termination. A written record of any proven violation will be placed in the offender's personnel file. In cases where a criminal investigation is pending, the Head of School or Board President has full authority to suspend an employee or volunteer.

If a student or parent engages in behavior in violation of this policy on school premises or at any school-sponsored event, that person may be subject to suspension or exclusion from school property or activities.

Retaliation

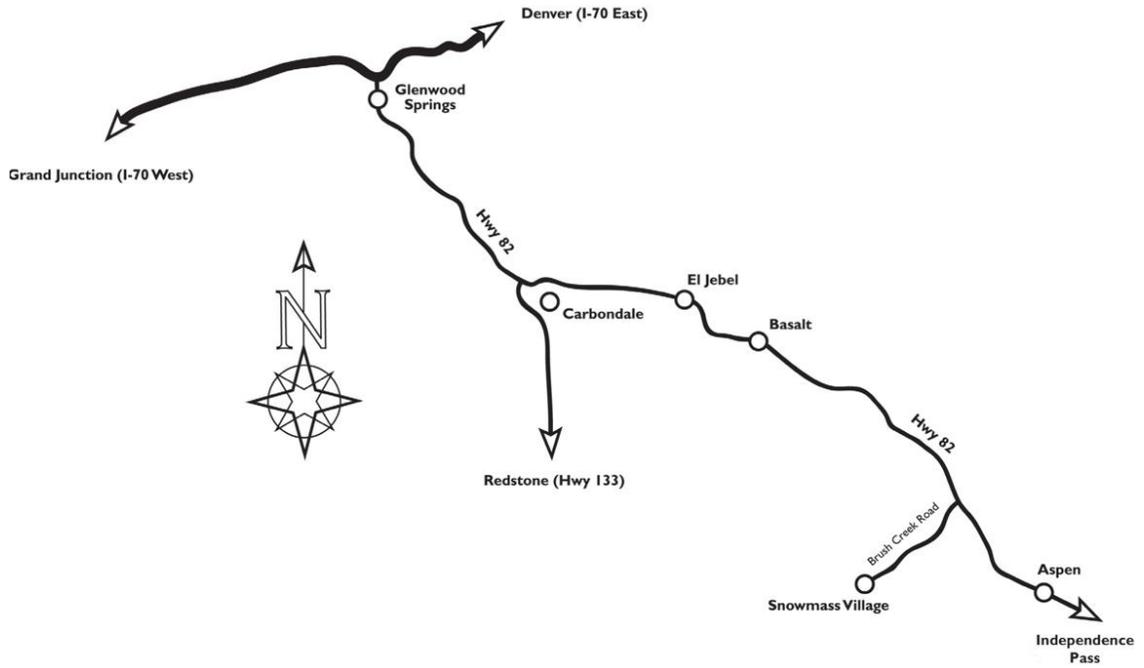

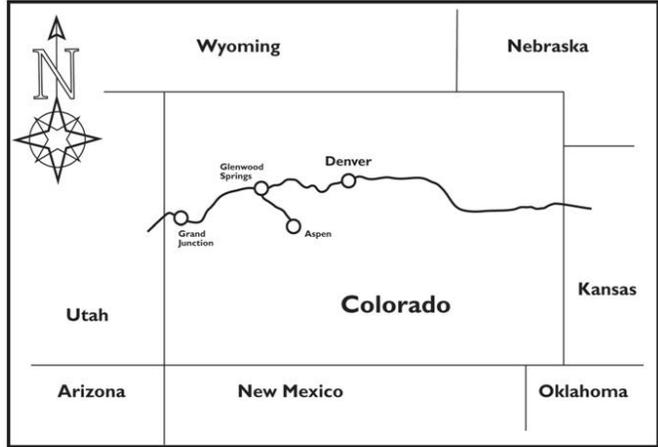

Retaliatory or intimidating conduct against the filer of a harassment complaint or anyone who has assisted in an investigation is prohibited and shall be considered a policy violation as serious as the harassment itself.

Confidentiality

Confidentiality will be maintained throughout the investigation to the extent practicable and appropriate under the circumstances to protect the privacy of persons involved. This means that the people investigating the complaint will discuss it or the underlying behavior only with persons involved in the case that have a need to know the information.
