Dear Workshop Participant,

We are looking forward to your arrival at Anderson Ranch Arts Center. In order for you to get the most from your time here, I've included a schedule of events that commonly occur during a typical weeklong workshop in Photography & New Media:

**Sunday.** Students staying in our housing arrive on Sunday. Dinner in our café is at 6 PM. This is an opportunity to meet fellow students, faculty and staff.

**The Week.** Breakfast is served Monday – Friday in the Café starting at 7:30 AM. We begin at 8:45 AM Monday morning with a welcoming orientation hosted by Ranch staff in the Schermer meeting hall. During this 15-minute introduction, you will be introduced to the Ranch staff and the faculty on campus that week. Immediately following the general orientation, we have a brief workshop orientation on the porch of the Fischer Photography Center.

In general, our workshops meet weekdays from 9 AM – 5 PM with a one-hour break for lunch. Activities may include lectures, slide talks, demos, field trips, individual photographic assignments, studio work and individual and group critiques. *Some faculty may choose to alter the 9 AM – 5 PM hours to capture the best light or to travel to a photographic location.*

You will have 24-hour access to our facilities beginning Monday morning after orientation and ending on Friday evening at 5 PM. Staff will be available in the studios Monday to Friday 9 AM – 5 PM and in the evenings Monday to Thursday 7 – 10 PM.

On Friday afternoon, all printing stops at 3 PM. Many faculty use the time between 3 PM and 5 PM to organize a final class discussion or critique. Everyone must clear the building by 5 PM.

**Lectures.** Slide presentations by featured artists and visiting faculty are scheduled Sunday and Tuesday evenings at 7 PM and some Thursdays at 12:30 PM. Attendance is encouraged but not mandatory.

**Auctionettes.** Your workshop may coincide with a Friday afternoon Auctionette. Starting at 11:45 these exciting lunchtime events auction work by students, staff and faculty alike. Proceeds support programming at Anderson Ranch. All students are welcome to contribute a piece of work and invited to bid at their leisure.

**Activities.** The Ranch is situated in a scenic mountain area with easy access to walking and hiking trails. Aspen is a 20-minute bus ride away.

Again, this is a general template—each workshop has its own requirements and dynamics that may necessitate changes in this overview. If you have any questions, please feel free to contact me.

Best,

Andrea Wallace
