Dear Sculpture Participant,

We are excited about our summer workshop offerings and look forward to your arrival at Anderson Ranch. Please take a look at the list of materials that your faculty has asked you to bring to the workshop. In order for you to get the most from your time here, I've included a general template of events that commonly occur during a typical “Ranch” week:

Sunday arrival is followed by dinner in our café at 6 PM. This is an opportunity to meet fellow students, faculty and staff. Often dinner is followed by a slide presentation at 7 PM by several visiting faculty.

We begin at 8:45 AM Monday morning with a welcoming orientation hosted by Ranch staff in the Schermer meeting hall. During this 15-minute introduction, you will be introduced to the Ranch staff and the faculty on campus that week. Immediately following the general orientation, we have a brief workshop orientation in the Sculpture Studio.

In general, our workshops meet weekdays from 9 AM – 5 PM with a one-hour break for lunch. Activities may include lectures, slide talks, demos, field trips, individual assignments, studio work and critiques.

You will have 24-hour access to our facilities beginning Monday morning after orientation and ending on Friday at 5 PM. Staff will be available in the studios Monday to Friday 9 AM – 5 PM and in the evenings Monday to Thursday 7 – 10 PM. Restrictions apply to certain tools due to noise and safety concerns in the evenings.

Two-week courses may give access to the metal shop from 1 – 5 PM on Saturday. The machine room is closed on Saturday morning for maintenance and cleaning from 9 AM – 1 PM. The café closes Saturday after breakfast and reopens Sunday for dinner.

On Friday afternoon, there will be a shipping service available. This is also a good time to have wrap-up discussions, refreshments and snacks. The workshop formally ends at 5pm on Friday.

Slide presentations by featured artists and visiting faculty are scheduled Sunday and Tuesday evenings at 7 PM and some Thursday s at 12:30 PM. Most lectures are free and open to the public. Check the chalkboards around campus for the exact schedule of events during the week of your workshop.

Attendance is encouraged.

Your workshop may coincide with a Friday Auctionette. Starting at 11:45 these exciting lunchtime events auction work by students, staff and faculty. Proceeds fund programming at Anderson Ranch. All students are welcome to contribute a piece of work and are invited to bid at their leisure.

The Ranch is situated in a scenic mountain area with easy access to walking and hiking trails. Snowmass Village also has a beautiful recreation center with a saline pool and modern gym. Aspen with its shops & restaurants is a 20-minute bus ride away.

If you have any questions, please feel free to contact me. It’s going to be a great summer!

Best,
