Dear Workshop Participant,

We look forward to welcoming you to Anderson Ranch Arts Center. This letter includes the supplies you need for your workshop and a general schedule of events. This Critical Dialog program is not a studio-based workshop, but rather a platform for discussion and lecture. During the program there will not be access to art-making materials or equipment. Instead, we encourage you to bring something to write notes with along with reading the article listed below.

We wish you the best experience.

Best,
