Faculty Name: Julie Burleigh

Dates: August 19 – 23, 2019

Workshop Title: Wet Paint!

Workshop #: D1223-19

Dear Workshop Participant,

We look forward to welcoming you to Anderson Ranch Arts Center. This letter includes the list of supplies for your workshop and a general schedule of events that commonly occur during a typical workshop. Our studios are open 24 hours Monday - Friday and participants are encouraged to continue their work on weekday evenings.

We encourage students to join their faculty and class for the Sunday welcome dinner at 6 pm as well as faculty presentations at 7 pm on Sunday and Tuesday evenings. Students should plan to attend our Monday morning orientation at 8:45 am in Schermer Meeting Hall. Other events may include the Featured Artists Lecture Series and Friday auctionettes.

Your studio fee will provide the following: various paper, cotton rags, solvents, easels, scissors, pushpins, masking tapes, hand tools, rulers, clamps, staple guns, projector, computer use, and studio maintenance & cleaning. Gamsol is the only solvent allowed in the painting studio. Please do not bring encaustic materials unless the workshop is encaustic. Please do not bring cobalt driers, spray paints, or alcohol-based products. The store at Anderson Ranch has a great selection of art supplies. We may not carry all supplies on your list. **If you purchase your class supplies ahead of time through The ArtWorks Store we offer a 10% discount.** For questions or to place an order, please contact info@andersonranch.org or 970-923-3181.

Keep in mind that Anderson Ranch is located in a remote mountain town. Some equipment and materials will be difficult to find locally. Please plan accordingly and order your supplies before the workshop start date. Each workshop has its own requirements and dynamics that may necessitate changes in this overview. We wish you the best experience.

Best,
