

**Workshop Supply List**

**Faculty Name:** Chelly Jin

**Dates:** July 22 – 26, 2019 (9 am – 3 pm)

**Workshop Title:** Kinetic & Interactive Sculpture: intro to Arduino

**Workshop #:** P0819-19

Dear Parents and Guardians,

As summer approaches, we are excited that your teen will be joining us at Anderson Ranch. Everyone is filled with creative imagination and the Ranch is just the place to tap into this energy for young and old alike. So you are able to get the most from your time here below please find a list of supplies for your workshop. Please arrive shortly before the beginning and stay to the end of class. Participants should attend every class session because projects are designed to be made over multiple days. Your studio fee goes towards general facility maintenance, operational costs plus equipment and materials on hand for your workshop.

Please complete the enclosed Participation, Waiver and Release Form and the Student Information Form and return them as soon as possible via fax or mail (or bring them on the first day of class). These forms are necessary for the safety of your teen. All students must be properly registered before attending the workshop. Please note registrations are non-transferable.

Please make a note on the waiver form if your child has food restrictions and/or allergies the staff needs to be aware of. We encourage students to bring personal snacks and a sack lunch or lunch money to dine in our café (lunch is \$17.50 per day). Adult supervision will be provided during the lunch hour.

We wish for the best experience for you and your teen,

Andrea Wallace

Artistic Director of Photography & New Media  
Director of Programs; Chair, Advanced Mentored Studies  
awallace@andersonranch.org  
970-923-3181 ext. 233

**For questions please contact:**

or  
Chelly Jin at chellyashleyjin@gmail.com

**The following will be available to you during your workshop at Anderson Ranch:**

- A 21" iMac computer with a calibrated display
- Epson P800 printers
- Adobe Creative Suite 2019
- Arduino Uno Board kit

**Please bring the following tools and supplies to your workshop:**

- A notebook and pen/pencil
- An external hard drive to transport your work home
- Laptop installed with Arduino IDE Software
- Any crafting items they'd like to bring (string, paper rolls, beads, tissue paper, etc.)
- Layered clothing, glove liners, gloves, hat (Clothing appropriate for early morning excursions at high altitudes. Early mornings in mid-summer in Colorado can be cold. You may want to bring lightweight gloves, a jacket or fleece, a hat and a waterproof layer.)
- Sturdy shoes or boots

**In preparation for your workshop, please plan for packing materials that you want to use to ship your project home, like moving blankets, packing tape, bubble wrap or cardboard boxes.**

**Getting your supplies to the Ranch:** You are welcome to ship your supplies to the Ranch via UPS or FedEx to arrive at the Ranch the week before your workshop clearly labeled as shown below. Unidentified packages may be returned. Please label your packages as follows:

Your Name / Faculty Name – Photo  
c/o Anderson Ranch Arts Center  
5263 Owl Creek Road #5598  
Snowmass Village, CO 81615-5598

**Getting your work home:** The ArtWorks Store carries basic shipping supplies for purchase. A professional pack and ship company will be on the Ranch campus Friday from 4:00 – 4:30pm to pick up artwork that you would like to ship home. Wet paintings under 3'x3' may be stored and shipped later using a shipping service.
