

Workshop Supply List

Faculty Name: Peter Basil

Dates: August 19, 2019 – August 23, 2019

Workshop Title: Advanced CNC Techniques

Workshop #: W1218-19

Dear Workshop Participant,

We look forward to welcoming you to Anderson Ranch Arts Center. This letter includes the list of supplies for your workshop and a general schedule of events that commonly occur during a typical workshop. Our studios are open 24 hours Monday - Friday and participants are encouraged to continue their work on weekday evenings. Students have access to the studio over the weekend if they are enrolled in a two or three week workshop.

We encourage students to join their faculty and class for the Sunday welcome dinner at 6 pm as well as faculty presentations at 7 pm on Sunday and Tuesday evenings. Students should plan to attend our Monday morning orientation at 8:45 am in Schermer Meeting Hall. Other events may include the Featured Artists Lecture Series and Friday auctionettes.

*Keep in mind that Anderson Ranch is located in a remote mountain town. Some equipment and materials will be difficult to find locally. Please plan accordingly and **order your supplies before the workshop start date.** Each workshop has its own requirements and dynamics that may necessitate changes in this overview. We wish you the best experience.*

Best,

Andrea Wallace
