

## Workshop Supply List

**Faculty Name:** Holly Roberts

**Dates:** 1/6/2020 – 1/24/2020

**Workshop Title:** Building an Image with Paint, Photography and Magic

**Workshop #:**

Dear Workshop Participant,

We look forward to welcoming you to Anderson Ranch Arts Center. This letter includes the list of supplies for your workshop and a general schedule of events that commonly occur during a typical workshop. Our studios are open 24 hours Monday - Friday and participants are encouraged to continue their work on weekday evenings. Students have access to the studio over the weekend if they are enrolled in a two or three-week workshop. We encourage students to join their faculty and class for the Sunday Welcome Dinner at 6 pm as well as faculty presentations at 7 pm on Sunday and Tuesday evenings. Students should plan to attend our Monday morning orientation at 8:45 am in Schermer Meeting Hall. Other events may include the Featured Artists Lecture Series and Friday auctionettes.

**Your studio fee goes towards general facilities maintenance, operational costs, and having equipment and materials on hand for your workshop.** The store at Anderson Ranch has a great selection of art supplies. We may not carry all supplies on your list. **If you purchase your class supplies ahead of time through The ArtWorks Store we offer a 10% discount.** For questions or to place an order, please contact [info@andersonranch.org](mailto:info@andersonranch.org) or 970-923-3181.

*Keep in mind that Anderson Ranch is located in a remote mountain town. Some equipment and materials will be difficult to find locally. Please plan accordingly and order your supplies before the workshop start date.* Each workshop has its own requirements and dynamics that may necessitate changes in this overview. We wish you the best experience.

Best,

Andrea Wallace

### The following will be available to you during your workshop at Anderson Ranch:

- A 21" iMac computer with a calibrated display
- Epson P800 Printers
- Adobe Creative Suite 2019
- 3 – 11 in. x 14 in. Masonite panels
  - Note: These will be given to you at the beginning of the workshop. If you would like to purchase additional pre-cut panels ranging from 8x8, 8x10 and 11x14, they will be available through the Intern and Studio Coordinator.

### Please bring the following tools and supplies to your workshop:

#### COLLAGE MATERIAL

- Note: **We will be providing paper for you to print and do transfers from for your collage. Please don't bring your own paper**
- Any photographic information of any kind that you want to bring in. It is best to bring your photos on a drive to print out in class.
- Images from magazines or newspapers
- Your own drawings, paintings or prints that you would like to repurpose or scan
- Anything that you would like to work with that you think you can adhere to a surface and that will (probably) hold paint. If you have an inkling of wanting to use something, then bring it!
- Anything that you would like to scan and then print out

#### Paints: Acrylic

- Cadmium Yellow (Light or medium)
- Cadmium Red (deep)
- Alizarin Crimson
- Ultramarine Blue
- Cerulean Blue
- Thalo Green or Viridian
- Yellow Ochre
- Burnt Umber or Raw Umber

- Titanium or Zinc white, or a combination of the two
  - Note: Just bring enough colors so that you have lots of choices; this is a good basic list if you don't already have paints. **Try and bring as many neutral colors as you can!**

#### **BRUSHES:**

- 5-10 artists' brushes, from very large to very small, including any soft watercolor or Japanese brushes
- 0.5" house paint brush
- 1" house paint brush
- 3" or 4" house paint brush (should be inexpensive NATURAL bristle brushes found in hardware stores most commonly made in china and not costing over \$2.00 per brush - the more brushes the better on these)
- Foam brushes, different sizes, small to large
- Again, bring whatever brushes you have

#### **MISCELLANEOUS but NECESSARY:**

- Scissors or x-acto knife, whichever you prefer to cut with (I recommend Dahle 8 inch all around scissors)
- Disposable latex gloves
- Plastic credit cards or hotel keys (no longer in use)
- Water containers and spray bottles
- Apron or clothes that can and will get dirty

#### **OPTIONAL NON-TRADITIONAL MATERIALS:**

- Scrapers
- Putty knives
- Sponges
- Crackle medium (best bet is Valspar at Lowes weathered)
- Digital camera and accessories: lenses, charged batteries, battery charger, memory cards, camera bag, cables and a card reader or Smart Phone and its amazing capabilities.

#### **Optional additional tools and materials:**

- Hat, sunglasses and sunscreen
- Weather appropriate gear
- Reusable water bottle
- Flash light
