Workshop Supply List

Faculty Name: Leah Aegerter

Workshop Title: Form, Function, and the CNC

Dates: June 8 – 12, 2020 (9:00 a.m. – 3:00 p.m.)

Workshop #: W0203-20

Dear Parents and Guardians,

As summer approaches, we are excited that your teen will be joining us at Anderson Ranch. Everyone is filled with creative imagination and the Ranch is just the place to tap into this energy for young and old alike. So you are able to get the most from your time here below please find a list of supplies for your workshop. Please arrive shortly before the beginning and stay to the end of class. Participants should attend every class session because projects are designed to be made over multiple days. Your studio fee goes towards general facility maintenance, operational costs plus equipment and materials on hand for your workshop.

Please complete the enclosed Participation, Waiver and Release Form and the Student Information Form and return them as soon as possible via fax or mail (or bring them on the first day of class). These forms are necessary for the safety of your teen. All students must be properly registered before attending the workshop. Please note registrations are non-transferable.

Please make a note on the waiver form if your child has food restrictions and/or allergies the staff needs to be aware of. We encourage students to bring personal snacks and a sack lunch or lunch money to dine in our café (lunch is $18.00 per day). Adult supervision will be provided during the lunch hour.

We wish for the best experience for you and your teen,

Andrea Jenkins Wallace
